

Katachel e. V.

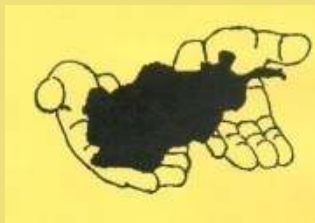

Union for Humanitarian Aid in Afghanistan

**Katachel e.V. has activities in the province
Kunduz located in North Afghanistan**

- ***Our projects starts around a little village in the North of Afghanistan, named Katachel***
- ***In the province of Kunduz there are living Pashtun, Tadjik, Usbek and Turkmen People***
- ***Katachel e.V. supports only projects in the rural regions to give the poorest people a chance for a Better future***

The province Kunduz is part of the North of Afghanistan

***In spring - a green mountain-region,
in summer - a desert***

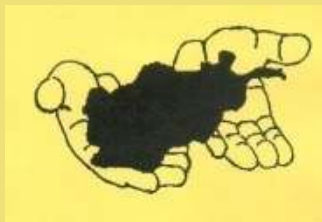

***Each family has many children,
they all need clean drinking water, food and education***

***The loamy river is 15 kilometers apart,
Boys meet there to collect water for their families***

***Safe drinking water leads to better health:
We built 1090 draw wells in the Kunduz area***

A traditional toilet, a hole for the faeces and urine, they use the loam lumps like toilet paper

The Ecosan-Toilet - clean and useful

کنارابهائی مفیدی ماحولی به قسم اتی استفاده میشود

Farsi

۱- بیلر جمع میشود*
ادرار فلتر شده و در یک
مواد غائطه زریعه یک نل به
بیلررفته وان جا جمع میشود*
خاک ویا ریژه هائی میده
ریگ به مواد غائطه مخلوط
شده

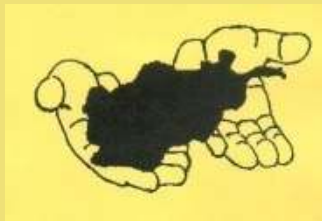

۲- تا بوی ان گم شود*

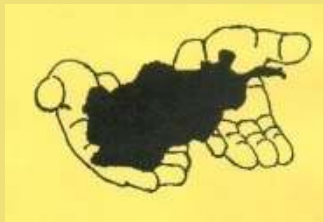

دستها شسته شده تا انسان
۳- صحتمند بماند*
چرا ما کناراب هائی که
فائیده مند به محیط مادی ما
هستند استعمال میکنیم

**One new poster for education:
The idea of Eco-Sanitation in Farsi language**

***Collecting the urine from Ecosan toilets
of a boys school***

Using the urine as fertilizer in field irrigation

With information, we try to overcome the doubts of the locals against the Ecosan toilets
